TRIKAY CARE AND CREATION ASSOCIATION
Notes to the Financial Statements for the year ended 31st March 2023

Corporate Information

Trikey Care And Creation Association is a Raigarh Maharashtra based company, incorporated on November 22, 2022 as a Section 8 Company under the Companies Act 2013,

Significant Accounting Policies Notes on Accounts Forming Part of the Financial Statement

1. Basis of Preparation of financial statements

The financial statements of the Company are prepared in accordance with the Generally Accepted Accounting Principles (GAAP) in India. The Company prepares these financial statements to comply, in all material respects, with the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

- (i) The Company follows the mercantile system of accounting and recognizes expenses and incomes on accrual basis
- (ii) Financial statements are based on historical convention except certain fixed assets which are stated at fair value.

2. Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income, and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Current & Non-current Classification

All assets and liabilities are classified into current and non-current.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) The Company does not have an unconditional right to defer settlement of the liability. All other liabilities are classified as non-current.

4. Revenue Recognition

- (i) Revenue is recognized when the significant risk and rewards of ownership of the goods have been passed to the buyers. Sale of goods is exclusive of service tax and GST
 - (ii) Revenue from Services is recognized as per the terms of the contract and on rendering of services
 - (iii) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.
- There were no such transactions during the financial year.

5. Fixed Assets and Depreciation

(a) Fixed Assets

- (i) Fixed assets are carried at cost of acquisition or construction cost and includes amount added on fair valuation, less accumulated depreciation (except freehold land), amortization and impairment loss, if any.
- (ii) Expenditure during construction period incurred on the projects under implementation are treated as pre-operative Expenses pending allocation to the assets, and are included under "Capital Work in Progress". These expenses are apportioned to fixed assets on commencement of commercial production. Capital Work in Progress is stated at the amount incurred up to the date of Balance Sheet.

(b) Depreciation

(i) Depreciation on fixed assets (including on revalued portion on fair value) has been provided as under: -

- (a) Tangible: On straight-line method basis at the rates and in the manner specified in the Companies Act, 2013.
 - (b) Intangible: On straight-line method basis at the rates and in the manner specified in the Companies Act, 2013.
- (ii) Depreciation on assets added, sold or discarded during the year has been provided on pro-rata basis.

6. Investments

Long-term investments are stated at cost of acquisition. Diminution in value of such long term investments is not provided for except where determined to be of permanent nature. Current investments are stated at lower of cost or fair market value.

7. Inventories

- (i) Stock of Raw Materials is valued at cost or net realizable value whichever is lower. Cost is arrived at on FIFO Basis.
- (ii) Stock of Materials-in-Process and Finished goods is valued at cost or net realizable value whichever is lower.

9. Foreign Currency Transactions

Foreign Currency transactions are recorded at the rates of exchange prevailing on the date of transaction. Monetary foreign currency assets and liabilities outstanding at the close of the financial year are revalored at the exchange rates prevailing on the balance sheet date. Exchange differences arising on account of fluctuation in the rate of exchange is recognized in the books of accounts. There were no such foreign currency transactions during the financial year.

11. Earnings Per Share (EPS)

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year.

13. Provisions, Contingent Liabilities and Contingent Assets

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. There were no such Contingent Liabilities and Contingent Assets transactions during the financial year.

14. Related party disclosure

All Related Party Transactions which were entered into by the Company during the Financial Year 2022-23 were on an arm's length basis and in the ordinary course of business. There were no materially significant Related Party Transactions entered into by the Company with Promoters, Directors or Key Managerial Personnel which may have a potential conflict with the interest of the Company. Company does not have contracts or arrangements with its Related Parties under Section 188(1) of the Companies Act, 2013, which are not on arm's length basis.
